Mr. Malcolm A. Frost  
Head, BBC Monitoring Service  
Caversham Park  
Reading, England

Dear Malcolm:

Thanks very much for your letter of 24 June. I understand perfectly why it is necessary to discuss the amendments proposed to the minutes of our recent meeting with General Jacob and certain British Government departments.

It was our extreme pleasure to have General Jacob with us for a few hours on last Friday, the 25th. We had lunch with [ ] and discussed briefly the proposed amendments. Later in the afternoon General Jacob met the Director for a brief conference. We are all very fond of General Jacob and I sincerely believe that his brief meeting with Admiral Hillenkoetter will assist us on our level immensely in the further coordination of the efforts of our two services.

I appreciate greatly the extensive program which you have arranged for [ ] and am naturally quite pleased that both you and Wynne liked him.

25X1

Sincerely,

L. K. White
